

Important Events and Central Ideas Tracking Tool

Name:		Class:		Date:	
--------------	--	---------------	--	--------------	--

Directions: In the first row, record an important event from Judith Shakespeare’s life, describe or provide evidence for that event, and explain how that event contributes to Judith’s death. In the second row, record a central idea Woolf develops in the text, provide evidence for that central idea, and explain how the central idea contributes to Judith’s death. In the third row, explain how the event and central idea work together to contribute to Judith’s death.
