THE HARTFORD CONTEMPORARY DANCE COMPANY is a newly formed ensemble existing on little to no budget. As such, TRAPS is being presented as a work-in-progress in it's finsihed form. The ballet would be performed in full lighting, costume, and with appropriate set pieces. The Dance Company is in need of mirrors, barres, and other assorted furnishings for it's future dance studio, and would welcome any financial support. A tax deductible contribution may be made to:
